## Easy to use. Fun to talk.

### Easy-to-use Handset

Universal Design

#### Large Backlit LCD and Secure Grip Handset

The large, backlit 2.1-inch screen is easy-to-read, and the simple menu screen lets you access functions without confusion. The rubberised grip on the back of the handset makes it more comfortable to talk while resting the phone on your shoulder.

### Even in the backyard or garage

Unique Technology

#### Clear Sound

High-precision error correction system ensures clear conversation with less voice interruptions, allowing you to enjoy a smooth, error-free conversation even when you're out in the backyard or garage, far away from the base unit.

### Clearly earth-friendly

Ecology

#### One Touch Eco Mode

Just press the dedicated ECO button. Signal output and power consumption are greatly reduced. In the Eco mode, the ECO indicator is clearly displayed on the LCD to show the Eco mode is activated.

### Prevent unwanted calls!

Unique Technology

#### Incoming Call Barring\* (Call block)

Calls from previously registered phone numbers are rejected. There is no more need to hear the voices of callers you wish to block.

\* Requires subscription to Caller ID service offered by a telephone company

### Ample address memory

#### 200-Name and Number Phonebook

You can store up to 200 names and numbers in the handset's built-in memory for quick and easy access. You can also transfer individual names and numbers or the entire directory all at once to an optional handset\*.

\* Optional handset required. Not available for BX model.

### For Comfortable Sleep

Unique Technology

#### Night Mode

Each handset can be programmed to prevent ringing during specific time periods, so you will not be woken up by the phone.
